#### **POLICE AND CRIME PLAN 21-24**

- 3. The Police and Crime Plan was developed after extensive public and partner consultation culminating in the creation of 'The Voice of West Yorkshire'. Face to face and online consultation and engagement ran from 1 September 2021-30 November 2021; The Voice of West Yorkshire is one of two key documents which supports the Police and Crime Plan 2021 -24. The document includes the notes of key events and can be found here: <a href="mailto:police-and-crime-plan-voice-of-west-yorkshire-public-consultation.pdf">police-and-crime-plan-voice-of-west-yorkshire-public-consultation.pdf</a> (westyorks-ca.gov.uk).
- 4. Neighbourhood Crime sits within the Safer Places and Thriving Communities -Priority 3. The Police, Mayor, and partners will focus on the harmful and unacceptable behaviour that targets the different communities of West Yorkshire through an ongoing commitment to Neighbourhood Policing and partnership working in localities. It will tackle the place-based crime that damages people's everyday lives.
- 5. Neighbourhood crime, road safety, and serious violence were the most frequently selected areas of focus under this priority. It was common to receive feedback that people did not want to see 'low level' neighbourhood crime neglected by the police.
- 6. Neighbourhood crime includes domestic burglary, robbery, theft from the person and vehicle and cycle crime.
- 7. Driving down robbery is also a focus of Operation Jemlock, the West Yorkshire Police response to delivering the Serious Violent Crime Strategy, and is embedded with the Mayor's Violence Reduction Unit.

### **KEY INFORMATION**

8. Mayoral/DMPC Activity to date includes:

- In July 2021, a partnership bid to reduce motor vehicle crime in neighbourhood areas along the West Yorkshire M62 corridor received £306K from the Home Office Safer Streets Fund. The money was used to reduce the opportunity for motor vehicle crime by improving street lighting and installing and utilising CCTV and ANPR cameras in higher crime areas. The funding was also used for increased engagement and education around vehicle safety throughout the region to prevent vehicles being stolen.
- West Yorkshire was also again successful in Safer Streets Funding in July 2022, £518K was awarded to West Yorkshire to tackle anti-social behaviour and misuse of motorised quad bikes and motorcycles in residential areas, as well as parks and open spaces. This includes enforcement activity focused on the misuse of vehicles, a youth outreach and diversion programme working with charities in specific areas, and a public engagement campaign to ensure communities do not suffer or tolerate antisocial behaviour.
